

GrowthTrack FAQs

Who should go through Growth Track?

Everyone! Whether you are considering making Celebration your church home, have already decided to become a member, or are a committed member wanting to take your next step in becoming involved, we encourage everyone to go through Growth Track.

When and where are the Growth Track events held?

Growth Track is on Sunday afternoons after our 11:00 service in the front lobby, opposite of the Café. Each step corresponds with which Sunday we are on within the current month (Example - step ONE is held on the first Sunday of each month).

**When a fifth Sunday occurs, no Growth Track is held.

What about my children?

We provide childcare for children of any age up to Middle School.

**Middle School and High School age children are encouraged to attend Growth Track.

How long are the Growth Track events?

We aim to keep each Growth Track event less than 70 minutes.

How do I sign up to attend a Growth Track event?

Click the "I want to attend Growth Track" button via the Connect tab of celebrationpeople.org.

You may also sign up by calling the church office at 318-828-1348.

Do you have to attend the Growth Track events in order?

Not necessarily. We recommend attending Growth Track in order, but understand that things can cause you to miss certain weeks. If you miss a step, simply attend it the following month.

What is the next step after attending all four Growth Track events?

Growth Track will assist you in spiritual growth and equip you to become more involved at Celebration Church. This involvement could be through Dream Team, but could also be joining a Connect Group, attending Life Conference, or leading a Connect Group.
